

Welcome to the the first edition of our new village newsletter! We are excited to launch this quarterly publication as a platform to keep our community members informed about the latest news and events happening in the village. We hope this will become a central hub for all things related to our parish, this newsletter will serve as a resource for residents to stay updated and get involved in the various initiatives organised by the Parish Council throughout the year.

One of the key features of this newsletter will be providing dates and details of upcoming Parish Council meetings and events. From regular council meetings to special community gatherings, we aim to highlight the important dates and times so that everyone can plan ahead and actively participate in shaping the future of our village. It is through these meetings and events that decisions are made, ideas are shared, and progress is achieved for the betterment of our community.
